## Limestone Cleaner

Delete Limestone Cleaner is a non-acidic gel designed to remove dirt, oil and carbon from marble and limestone.

- Non-acidic
- Quick and effective
- Low odour
- Does not etch glass or metal surfaces
- Easy to rinse

### Limitations

---

- n/a

### Specification

---

<b>Appearance</b>	Clear gel
<b>Colour</b>	Pale blue
<b>Odour</b>	Mild
<b>pH</b>	12 to 13
<b>Viscosity</b>	5,000 cps

### Dilution

---

Use neat, no need to dilute. Covers 2 to 5 sq metres per litre.

### Method

---

1. Apply to the surface using a soft bristled brush
2. Leave for up to 20 minutes
3. Agitate with a soft bristled brush
4. Rinse off with clean water
5. Do not allow to dry. Reapply gel if necessary to keep the surface wet

Always test a small inconspicuous area to check for surface compatibility.
