Use neat. No need to dilute.

Method

1. Apply to the surface via spray, cloth or brush
2. Allow to dwell for a few seconds
3. Agitate with a cloth or a brush, turning frequently to ensure the mark is not returned to the surface
4. Wipe off any residue with a clean damp cloth
5. Rinse with water to neutralise the surface
6. Repeat the process if necessary

Always test a small inconspicuous area to check for surface compatibility.
